Re: 12-cv-4662-LGS, Lee v. Kucker & Bruh LLP et al

Dear Judge Schofield,

The undersigned attorneys for the parties in the referenced case are pleased to inform your Honor that they have entered into an agreement to settle this case, the terms of which will be fully implemented by November, 2013. Upon the complete implementation of such terms, a Stipulation and Order of Dismissal With Prejudice will be submitted to be so ordered. As a trial regarding damages in this case is therefore no longer necessary, it is respectfully requested that your Honor's prior order scheduling trial and pre-trial procedure in September be withdrawn.

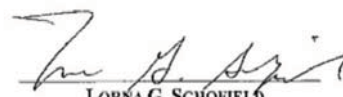

Very truly yours,

James A. Fishman
Attorney for Plaintiff

Abner T. Zelman
Attorney for Defendants

The Court has been informed that the parties have reached a settlement in principle of this case. Accordingly, it is hereby ORDERED that this action is dismissed without costs and without prejudice to restoring the action to the Court's calendar, provided the application to restore the action is made within thirty (30) days. Any pending motions are DISMISSED as moot, and all conferences are CANCELLED. SO ORDERED.

Dated: 8/13/13
